*Happy Hydesville Day Everyone!  
Each year on March 31st Spiritualists celebrate Hydesville Day. It commemorates the beginning of Modern Spiritualism and the date when the Fox sisters first communicated with the Spirit world. What occurred at Hydesville on March 31, 1848, provided evidence of the existence of an afterlife and the possibility of communication with the Spirit world. This revelation, and evidence of survival offered by mediums for over 175 years, has brought comfort to the bereaved and freed humanity from fear with the promise of eternal life.*
